Comments / Feedback

Good and to the point.
 Useful update on bleeding problems
 Very useful. Session on antenatal care would be useful.
 Good concise helpful advice.
 Very clear presentation. Good to go over PCOS.
 Very informative lecture.
 Nice informal teaching session. Very approachable.
 Very good, informative. Answered questions. Well
 Interactive.
 Friendly, helpful topic. Useful topic.
 Very useful.
 Exactly what we needed. Interactive, not too in depth.
 Good, useful.
 Good, concise, reinforced what we should be doing in practice.
 Really useful. Succinct.
