- Practice skills in challenging racist language

Comments / Feedback

Good presentation, helpful.
 Very good afternoon. Useful review of law etc.
 Very good. Interactive. Good idea with the role play.
 Equality – very good, relates to curriculum.
 Very good use of role play and quiz.
 Interesting insight into communication with blind/deaf patients. Awareness of disability discrimination act.
 Good stuff, well organized.
 Very good presentation of a difficult subject to do.
 Good talk about what could have been a very dry subject, questionnaire worked well.
 Very good presentation.
 Good teaching session on ethnicity and equality. Liked the use of a quiz and role-play and enjoyed the lively discussions.
 Lecture very good and role-play. ENT very good.
 Interesting and interactive, really good daily role plays. Enjoyed the quiz.
 Very good session on equality, good role play. Brilliant handout for ENT!
 Useful course session – interesting interaction.
 Good presentation and effort Lack of time for whole presentation.
 Equality – found the role play helpful – raising problems that I had not thought of!
 Good to do role play- deaf and blind patients. Good to think about offensive racist language and ways to challenge this in a consultation.
