

## **Evaluations of term (2007/8)**

### *What did I value most about VTS this year?*

Careers advice very good

Revision of ENT

Useful discussion re salaried doctor/ partnership/ accounting

The business side of GP / Contracts / Locum work

Excellent ENT study day

Getting away from the constant pressure of medical wards

Very useful and relevant guest speakers organised

Third term has been good with good topics

Not having to present this term!

Mix of non clinical subjects

Learning about CSA/AKT/ how practices work

Information from the accountant very useful

Getting to know GP VTS colleagues

Really good residential as introduction to other members of the VTS

Regularly seeing colleagues for banter

### *What would you like to include next year?*

More social events

More role plays for CSA

More OSCE style practice with actors

Team trip to annual RCGP conference

More stuff in passing CSA cases

Longer terms

Further clinical lectures / tutorials

Short topics / shorter presentations

Better time management

Continue to cover parts of the curriculum that are not covered in clinical practice and new updates eg NICE guidelines

No VTS at school half terms
