

3 January 2008

Aims

Reform the group and plan the terms activities

Deepen our understanding of the consultation and the assessment process.

Objectives

By the end of the day everyone will have had an opportunity to practice their consultation skills and reflect on their performance.

Each person will have had an opportunity to assess their clinical skills as per n MRCGP CSA exam

Each member will have a clear idea of how they are going to contribute to the success of the VTS this term

SUMMARY

Very good. Role play feel uneasy at first got easier. Really useful. Thanks
Good day. Useful planning session, great 'news at 10' – well presented. Good 'job talk'.
Fun CSA scenarios.

Very useful. Excellent hot topics. Good to do regularly hot topics. More CSA practice please.

Really good. Interactive. Really benefited from actors coming in.

Very useful day please repeat for us when we are doing CSA.

Stressful but very good practice for CSA. Would like repeat sessions. Great actors.

Actors were great. Role play was really useful.

Very useful – Actors brilliant.

Informative recap of consultation models. Actors were excellent – role play very good.

The role plays were really good. Information on CSA was useful.

CSA preparation was excellent. Actors and role plays really well organized and very, very useful – more please.

Afternoon excellent – very good practice doing role plays. Morning good, but the video session was a little disorganized – only watched 2 videos, but good discussion after and always useful watching videos. Hot topics good idea.

Very useful day, good doing role play practice, although very painful! Good news and hot topic.

Very good taster of CSA. Useful planning of future sessions.

Well organized. Role play helpful – would be good to repeat later in the term.

Would have been good to watch more videos/cd's – ran out of time. Thank you.

The actors/role play was very useful! It would be good to have Fi/Fi/Alison as observers to help with critique.

Very well organized day – especially the afternoon discussing the video, consultations very useful. CSA simulation very good – got me thinking about things to do during my normal day.

Good introduction to CSA. Real life scenarios. Would be useful to do more practice.

Prefer to practice in small groups.

Consultation skills very good. Very good session.

Great day for improving communication skills. Having actors makes a big difference and very worthwhile.

Very good day. Good exam practice.

Excellent session – really useful to have feedback from actors. Hot topics and news slot also useful.
Good to work with the actors although a little scary. Good to go through CSA and what is expected of us.
Simulated patients very good. Good prep. For CSA.
