Comments / Feedback

Very useful. Referenced guidelines well – good discussions about the NEWS
 Very useful – lots of pictures – helpful.
 Very good presentation.
 Good presentation – Concise and lots of pictures – appreciated!
 Excellent session – good pictures – good and simple explanation.
 Good presentation and pictures – covered good topics for GP.
 Well prepared presentations, good pictures. GPR group re MPS scary but good to talk through.
 Good session.
 Useful revision of dermatology basics with some good pictures. Interesting group discussions of legal cases.
 Informative – good pictures.
 Enjoyed 2nd session – 1st session tend to run over.
 We have had this before – nothing new this time.
 Good – informative.
 Good, clear, well illustrated.
 Good pictures. Interesting to discuss contraception and termination of pregnancy. Good to go through treatment options.
 Good pictures on skin problems. Useful MPS discussion clogging up documentation etc. and out of hours.
